Hampton

All measurements can be customised

Standard Sizes	Length	Height	Depth	Seat Depth
Medium	193cm	80cm	94cm	65cm
Large	230cm	80cm	94cm	65cm

Created for the Roaring 20s, the Hampton emerged from a popular shape in 1820s Regency England. The flamboyant arms emerge neatly out of the hand-sprung back thus creating a delightful profile from all angles. Legs are solid oak, but could be walnut.

Traditionally upholstered by hand in our Fulham workshops. The sofa shown is covered in Colony's mighty (-ly thick) Zurbino cloth.
